THIS IS A STEP BY STEP GUIDE TO HOW WE ASSIST CLIENTS

IMPORTANT INFORMATION TO REMEMBER

NEVER DEAL WITH ANYONE WHO CONTACTS YOU AS A RESULT OF A COLD CALL, EMAIL OR TEXT.

Many of the most successful pension frauds of recent years have utilised these methods to mass market and then subject those who reply to high pressure, aggressive sales techniques.

IF IT SOUNDS TOO GOOD TO BE TRUE, IT PROBABLY IS.

Many fraudulent schemes or high risk investments promise high levels of returns, certainly much higher than you would receive from a traditional pension scheme. The reason for this is that either the returns are totally made up to lure people in or the investment is so high risk you have little chance of it ever working.

BEWARE OF NEW OR RECENTLY FORMED COMPANIES AND MAKE SURE YOU KNOW WHO THE COMPANY IS.

Most fraudsters will have only recently setup their company, if the company is new or recently formed then despite what they tell you, they have no track record.
